Update: March 19, 2025

A sunny walk along the banks of Lake Thun with stunning views and a visit to St. Beatus cave, followed by a ship across the lake to Spiez

From Interlaken we walked along the canal and then the lake, a lovely walk. Being Sunday, we saw more people than usual. The day started foggy but then cleared to a beautiful blue sky. We passed many dried up streams, and went to St. Beatus Caves to look around and get a stamp. After that the path seemed to be very old as the sides were boarded with stones - a very pleasant walk. At Merlingen we took the boat across to Spiez. It would seem that there was a route via Thun but that it has been suspended.
