Update: March 27, 2025

A cold autumnal walk through varied countryside. We took the train to Thun and then the postal bus to Amsoldingen and visited the Basilica by daylight. It was a pleasant walk from there but only 1° and cloudy, however we were not cold. There were not many people about. At one point two deer crossed our path galloping and jumping. We arrived at Riggisburg as it was getting dark. It was one of our longer walks. We took the bus back to Köniz and then home via Bern.
