Hillside walk from Laax to Ruschein past bronze age standing stones.

We returned to the bus stop on the edge of Laax where we had left off the day before, and wandered through the village. Then followed a steep upward short-cut, as the longer road was being dug up, but we did get a good view down onto Laax and its lake. Then onwards to Falera, its church, and its fascinating standing stones. From there, on to the small village of Ruschein with the Chapel of Nossadunna.
