Update: January 20, 2023

From a railway memento past rockfalls to the birthplace of a fashionable hotel chain. 4th October 2020

We arrived at a railway station with some rusting souvenirs of the pioneer days of railways, then along the side of the valley to end up at another railway station converted to a museum to the birthplace of Casar ritz, founder of the Ritz hotel chain, passing on the way some interesting churches and chapels.
